

AMA Recruit - Common Use Arrangement HRS2015 for Human Resource and Investigation Services

AMA Recruit

Achieving positive workforce outcomes for Western Australia's Public Sector through innovative recruitment strategies.

Who we are

AMA Recruit has been providing highly specialised and targeted recruitment services across all industry sectors in Western Australia (WA) for over 30 years. Both clients and candidates have consistently praised AMA Recruit's professionalism in successfully delivering a range of tailored services via our highly experienced team of consultants. Our values-based approach to recruitment is matched by a proven track record of impeccable customer-focussed service.

Under the Common Use Arrangement (CUA) for Human Resources (HR) and Investigation Services (IS), AMA Recruit has been supporting public sector workforce development by delivering successful, cost effective recruitment and human resource consultancy services to Western Australian Government Departments, since 2010. Collectively, our Level 1 Consultants have 50+ years' experience in providing a range of recruitment campaigns.

AMA Recruit is a division of the Australian Medical Association (AMA) (WA), the largest independent professional organisation for medical practitioners and medical students in the State. The AMA (WA) is a highly diversified business that incorporates HR consulting, a Group Training Organisation and an Australian Apprenticeship Services Network provider.

What we do

AMA Recruit is committed to developing long term partnerships, by working with our clients to build capability in recruitment solutions through transparent communication and reliable, high quality service. We have extensive and in-depth knowledge of the Public Service Standards in Human Resource Management, including insight into the importance of an equitable and diverse organisation.

With experience in providing services for Graduate Programs through to SES positions, as well as recruitment pools and highly technical roles, AMA Recruit has the ability to work closely with an organisation to effectively assess a range of skills, to select the right person for their business.

We have established share value partnerships with the following public agencies:

- Armadale Health Service
- Department of Education
- Department of Fire and Emergency Services
- Department of Health
- Department of Regional Development
- Main Roads WA
- Road Safety Commission
- Sir Charles Gairdner Hospital
